Longfellow!

New and exquisitely lilustrated Edition de Luxe of Prose and Poetical Works, including his translation of Dante's Divine Comedy. In ten benutiful volumes, nearly 5000 pages.

The type. It is the only large type edition of Longfellow, and is carefully printed from new plates. The paper is a pure white wove of extra quality.

The illustrations include 83 beautiful full page reproductions in photogravure and duotone (two colors) from original paintings of distinguished modern artists.

The notes. In addition to the author's The notes. In addition to the author's even notes by the well-known critic and author. Mr. Charles Welsh.

It should be started here that there is no abrolutely complete set of Longfellow. The most important poem omitted from the present edition because of certain copyright restrictions is "The Hanging of the Crane," which however, is sold in various cheap editions. On the other hand this new edition contains, besides the original editorial matter referred to, a great deal of Longfellow's prose and poetical writings not obtainable in any other edition. For example, we have here for the first time in book form. The Baid Engle' and "The Indian Summer," two brilliant stories written in the author's best style. Therefore it may be safely stated that this is by far the most satisfactory set of Longfellow ever published.

Shakespeare!

20 Volumes.

Incomparably the best Shakespeare in the world. The first printing from new plates. Complete in 20 volumes, Size of volumes Size as Signatures, Size of volumes Size as Signatures, Size of Shakespeare, Immeasurably superior to all others, was published by the well-known New York subscription publishers, Bigelow, Smith & Co., who were engaged in its preparation for nearly tirree years expending over \$20,000 before the work was ready for the press.

During recent years in America probably the three most extensively advertised and most widely sold editions of Shakespeare have been the Booklovers, the Morris and The Temple, in all of which the notes are at the end of each play with no references to notes in the text. In the Booklovers and the Morris Editions there are two sets of notes at the back which force the reader to turn to the back of the volume to hunt until the desired note is found, if it ever is found. Comment is unnecessary upon this vexatious impractical arrangement of notes. In Bigelow, Smith & Co. s new edition, through enormous expense of typosecting, the notes appear properly at the bottom of each page where they belong for the obvious convenience of the reader, and moreover every one of the thousands of notes bear the initials of the commentator so that one may know the exact authority for each explanatory statement. General readers as well as students will appreciate this commonsense aid in reading Shakespeare.
